**Subject:** Testing and release of water to KV-III

Dear Mr.Akhilesh,

Just now I spoke to the GM HMWSSB.He informed me that he has been instructed to release the water for flushing and testing of the pipeline and also release the water at the earliest.We are trying to be party to the testing along with HMWSSB officers.Hopefully by 1st December we must have normal supply of water.I will post you with the progress appropriately.

We thank both Secretary Madam, and the JS Sir, for their personal interest and involvement in these efforts.

We will be extremely grateful and happy if Madam could visit the site and turn on the valve of water supply.

Regards,
