

CIRCULAR

GRID SUPPLY & D.G. BACKUP (SHOP OWNERS)

It is intimated that, the D.G. Backup services in Kendriya Vihar shopping Complex, Greater Noida (Phase-I) has been started w.e.f. June 2023 and Grid supply started from the date of possession. Accordingly, the billing for D.G. Backup and Grid is going to be generated for the month of Oct 2023 including the consumption upto Sept 23. The billing will be reflected in the on Xenius Sems Plus mobile app. All the individual allottees/shop owner/occupants are requested to see the mobile app for amount due for payment and the payment shall also be made immediately. The Billing system is "**PRE-PAID**", therefore all the individual allottees/shop owner/occupants are hereby requested to re-charge the amount in advance through mobile app to avoid any dis-connection/non-supply due to non-payment of existing overdue payments and prepaid re-charge.

The D.G. backup & electricity charges are as follows:

- i) **Grid supply** Billing will be done as per U.P.E.R.C. rate schedule for FY 2022-23 Plus
- ii) **D.G. backup charges:** -The unit charge: Rs 25.00 + 18% GST = Rs 29.50 per unit Plus
- iii) **Monthly recurring Charges (MRC)** for billing system is payable to the billing software company @Rs. 63.50 + 18% GST = Rs. Rs.74.93 per month per shop.

Note:

- 1) The above unit rate is tentative and will be revised on actual basis after reconciliation every three month.
- 2) The "**PRE-PAID**" system will be effectively started w.e.f, **01/11/2023**. Thereafter D.G. Back-up & Grid supply will be automatically stopped by the system in case payment is not made.
- 3) In case any query, feel free to contact
 - i) Mr Varun (M.No. 9958562056
 - ii) Mr Rajendra Bahadur Sonker (M.No.8178087272)
